

CATERING BUSINESS OPPORTUNITY

An opportunity has arisen at Broadlands, one of the most popular naturist holiday centres in the country, for an organised and enthusiastic person to acquire free of charge a seasonal catering business and small shop on the club premises.

The successful applicant will display the highest levels of cleanliness and hygiene as associated with the catering business, supported by accredited certification as proof.

He or she will run the catering outlet on contract for his/her own profit, providing drinks and food, from snacks to a traditional Sunday roast.

Ideally the successful candidate will be a naturist and a member of BN, the national naturist organisation.

The vacancy has arisen because of the retirement of the long-serving caterer.

Broadlands is a members' club in the heart of Norfolk, near the Norfolk Broads and the medieval city of Norwich. Set in 24 acres of woodland, the club offers many facilities including an indoor heated pool with sun lounge area, and various sporting activities. The club is the ideal holiday setting for the family.

For more information about Broadlands and photographs of the club, visit www.broadlandsun.co.uk
